## About the Authors

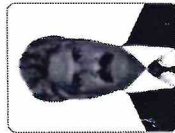

**Alok Kumar** an esteemed academic leader, serves as the Principal at Lalita College of Pharmacy, where his profound expertise in analytical chemistry and pharmaceutical sciences drives the institution's success. Armed with a Bachelor's degree in Pharmacy and a Master's degree specializing in Pharmaceutical Chemistry, Alok stands at the forefront of pharmaceutical education. His ground breaking work in formulating Anti-colorectal cancer activity of drugs for, as part of his Master's in Pharmacy thesis, underscores his dedication to addressing critical healthcare challenges. With over 12 years of dedicated teaching experience, Alok has shaped the minds of countless students, instilling in them a deep understanding of pharmaceutical principles and analytical techniques. His teaching philosophy revolves around fostering critical thinking and practical application, preparing students for the challenges of the pharmaceutical industry. Alok's contributions extend beyond the classroom, as evidenced by his innovative research endeavours. His pioneering work in chromatography has resulted in a patented invention, a testament to his ingenuity and commitment to advancing pharmaceutical sciences. As Principal, Alok Kumar exemplifies transformative leadership, guiding the college towards excellence in education, research, and industry collaboration. His vision for the future of pharmacy education is characterized by innovation, inclusivity, and a relentless pursuit of excellence. Under his guidance, Lalita College of Pharmacy continues to thrive as a hub of academic excellence and innovation in the field of pharmaceutical sciences.

**Sathesh Vilas Patil** is currently working as Professor at Gulabrao Patil College of Pharmacy, Maharashtra. He has completed M. Pharm in Pharmaceutics on thesis Entitled "Molecular Dynamic studies on the application of peptide nanotube as a drug carrier". He has published many research Publications in peer reviewed journals of national and international repute. He has three Indian design Patent Published. He has attended many national, international conferences and FDP. Students were participating and award won in various competitions under his guidance. He is a life member of Association of Pharmaceutical Teacher of India (APTI) and also a Member of Society of Pharmaceutical Sciences and Research (SPSR).

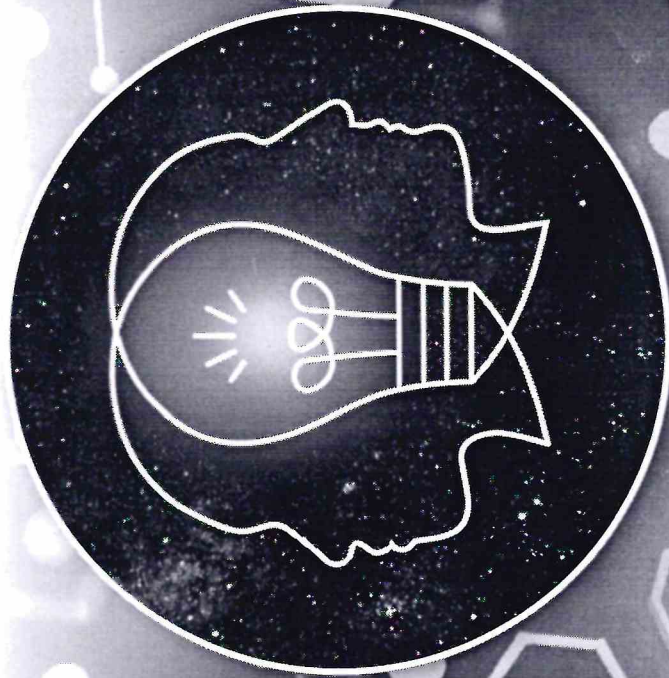

**Madhuri Rajendra Koli** is currently working as Assistance Professor at Gulabrao Patil College of Pharmacy, Maharashtra. He has completed M. Pharm in Pharmacognosy on thesis Entitled "Pharmacognostical Evaluation, In-Vitro Immunomodulatory and Antitubercular Activities of *Ixora Pavetta Andrews*". He has published many research Publications in peer reviewed journals of national and international repute. He has attended many national, international conferences and FDP. Students were participating and award won in various competitions under his guidance. He is a life member of Association of Pharmaceutical Teacher of India (APTI)

**Dr. Averineni Ravi Kumar** is working as Professor, Department of Pharmacognosy in Nimra College of Pharmacy Vijayawada Andhra Pradesh. He has Completed Doctorate in Biotechnology from Bharathidasan University Tiruchirappalli Tamil Nadu in 2009 on thesis Entitled "Ethnopharmacological Studies of Selected Plants of Caesalpinaceae". He has Obtained M.Pharmacy Specialization in Pharmacognosy Secured Highest Marks in Final Semester in Completion and B.Pharmacy Degrees from A U College of Pharmaceutical Sciences Andhra University Visakhapatnam Andhra Pradesh. He has About 31 Years of Teaching Experience. He has worked as Lecturer to Dean Positions in Pharmacy Colleges he has worked. He has Participated in Webinars as Organizer, Guest Speaker, Attended Workshops QIP in Faculty Development Programmes and Presented Papers in Various Sessions. He is Life Member of IPA OPF APTI ABAP. He has Published about more than 105 Research Papers in National and International Journals. He is Author of Books of Industrial Pharmacy I, II, Biopharmaceutics and Pharmacokinetics, Pharmaceutical Jurisprudence Pharmacognosy I, II, Cosmetic Science, Research and Reviews in Plant-Sciences Volume II (Fourth Editor), Research and Reviews in Social Science Education Literature Management and Commerce (Third Editor), Advanced Organic Chemistry I, Communication Skills. He has about 5 Patents Works on Herbs.

### About the Author

**Dr. Venkata Suresh Babu Agala**

Dr. Venkata Suresh Babu Agala M.Pharm, Ph.D has completed his B.Pharmacy from K.V.S.R Siddhartha College of Pharmaceutical Sciences, Vijayawada and M.Pharmacy in Pharmaceutical Chemistry from Vello's University, Chennai and Ph.D from Sri Satya Sai University of Technology & Medical Sciences, Seshore. He is Currently Working as Professor in Nimra College of Pharmacy, Vijayawada. He has more than 13 years of experience in academic, teaching, and research. He has more than 20 publications to his credit and attended many National and International conferences, webinars, and workshops.

**Dr. Hemant Kumar Sharma**

Dr. Hemant Kumar Sharma, Professor and Dean, is presently working at School of Pharmacy, Sri Satya Sai University of Technology & Medical Sciences, Seshore, Madhya Pradesh. He has more than 20 years' experience obtained from different department of pharmaceutical sciences and institutions. He obtained his Bachelor of Pharmacy from School of Studies, Pharmaceutical sciences, Jiwaji University, Gwalior (M.P), Master of Pharmacy from J.S.S. College of Pharmacy, Ooty (Tamilnadu) and PhD from Karpagam University, Coimbatore (T.N.). He has published more than 70 research and review article in national and international with high impact factor journals. He has experience of attending national and international seminars. He has guided 10 Ph.D. scholars and more than 60 PG students. He is life time member of Indian Society of Pharmacognosy. He is also a Member of various Expert Committees.

**Dr. Lingeswara Rao Punati**

Dr. Lingeswara Rao Punati is Currently Working as Professor in Chemmapati's Indo-American school of pharmacy, Jemmalagida, Palnadu District, Narasaraopeta, Andhra Pradesh, India. He has more than 16 years of experience in academia, teaching, and research. He has attended many National and international conferences, webinars, and workshops.

**Mrs. Rehma Kaja**

Mrs. Rehma Kaja M.Pharm has completed B.Pharmacy from Enst point college of Pharmacy, Bangalore and M.Pharmacy in Pharmaceutical Analysis from JNTUK, Kakinada. She is currently working as Asst. Professor in Nimra College of Pharmacy, Vijayawada. She has 5 publications to her credit and attended many National, international conferences, webinars, workshops.

**Dr. Chandra Sekhar Naik Desavath**

Dr. Chandra Sekhar Naik Desavath M.Pharm, Ph.D has completed his M.Pharmacy from K.V.S.R Siddhartha College of Pharmaceutical Sciences, Vijayawada and Ph.D from Krishna University, Machilipatnam. He is Currently Working as Professor in Nimra College of Pharmacy, Vijayawada. He has more than 10 years of experience in academic, teaching, and research. He has more than 40 publications to his credit and attended many National and international conferences, webinars, and workshops.
