Program Outcomes

Date: 23.01.2024

Name of the Event: The Programme for students And non teaching staff About
communication skills and awareness in pharmacy

Date of the Event: January 22nd 2024

Description:

Our college held a program titled "**Communication Skills and Awareness in Pharmacy**" was successfully organized for students and non-teaching staff. The initiative aimed to enhance the interpersonal and professional communication skills of the participants while providing valuable insights into the field of pharmacy.

The event began with an inaugural session, who highlighted the importance of communication in fostering professional growth and building strong relationships within the healthcare system.

Effective Communication Skills:

A workshop led by Guest Speaker focusing on verbal and non-verbal communication, active listening, and professional etiquette.

Pharmacy Awareness Talk:

A Guest bSpeaker a renowned pharmacist, delivered an informative lecture on the role of pharmacy in patient care, drug safety, and the healthcare system.

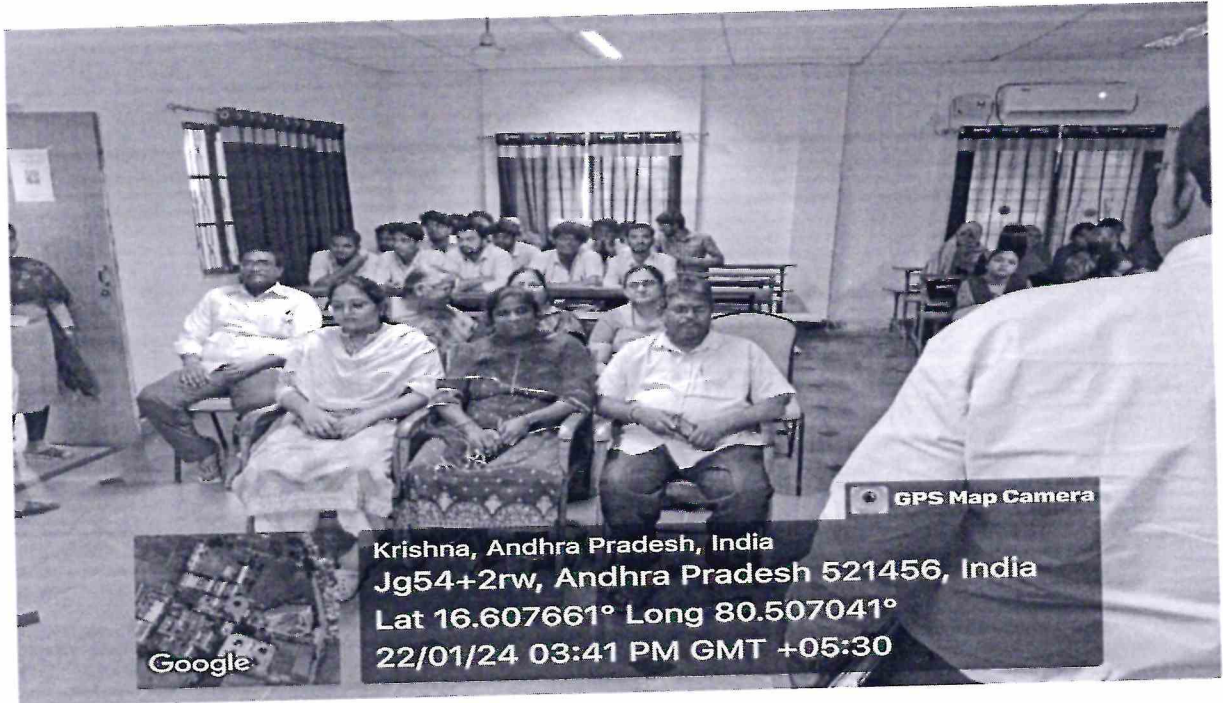

The event concluded with a vote of thanks delivered and acknowledging the contributions of the organizers, speakers, and participants. The programme was a step forward in bridging communication gaps and enhancing awareness about pharmacy, paving the way for more such initiatives in the future.
