7.3.2. PLAN OF ACTION FOR THE NEXT ACADEMIC YEAR

Nimra College of Pharmacy is committed to enhancing education and fostering innovation by leveraging research, technology, and industry collaboration. Key initiatives include:

- 1. Upgrading to Autonomous status-** Nimra College of Pharmacy has planned to attain autonomous status from the academic year 2024-25 to improve the quality of education and to create an environment that benefits students, teachers and society.
- 2. Doctorates-** Planning to appoint more doctorates as faculty to improve the quality of education for the benefit of students and institute.
- 3. Drug Testing Laboratory:** Establishing a state-of-the-art lab with advanced analytical equipment for affordable drug safety, efficacy, and quality control testing.
- 4. MOU with Leading Pharmaceutical Industries:** Expanding partnerships with multinational companies to promote collaborative research, internships, and student training.
- 5. Idea Hackathons:** Organizing events to encourage participants to brainstorm and develop innovative solutions, fostering creativity and teamwork.
- 6. Creative Presentations:** Expanding poster presentations and quiz programs with inter- institutional events and mentorship to boost students' research and communication skills.
- 7. Innovative Teaching Methods:** Increasing the use of e-learning platforms and simulation tools to supplement traditional education, enhancing the learning experience.
- 8. Global Engagement:** Promoting international exposure through exchange programs, global research networks, and alumni collaborations.
